The Goal of the Program

Fully and Divinely Activated, Free from the Past, Ready to Embody Your True Gifts, and Create an Extraordinary, Abundant Life—this is the vision we'll bring to life together.

Over **12 transformative weeks**, we will deeply and gently release the physical, emotional, and energetic imprints of trauma, heal ancestral and past-life blocks, and activate your **Egyptian KA—a powerful field of light similar to the Light Body**. Together, we will dissolve the energetic barriers and traumas that have kept you from fully stepping into your **Divine Soul Gifts** and unlocking the **abundance channels that are your birthright**.

Through this sacred process, I'll guide you to heal deeply, **expand your spiritual gifts tenfold**, and fully **embrace your Light**—so you can create a life that is aligned with your highest vision and filled with purpose, confidence, and abundance.

What you will receive

- **12 Weekly Live Sessions:** 60 to 75 minute sessions with me to release trauma, heal energetic wounds, and activate your Divine gifts.
- **Weekly Light Language Activations:** Powerful transmissions uploaded into playlists on SoundCloud to clear blocks, awaken your gifts, and anchor your Higher Self.
- **Personalized Energetic Activations designed to help you manifest your deepest intentions (individual program):** Each week, you'll share your intentions with me, and I'll provide a personalized energetic activation to support them.
- **Messages from your Soul, aligned with your Life Mission (individual program):** A newly activated gift within me has already sparked a breakthrough for a client who finally discovered whom she is truly meant to serve through her soul's work.
- **Access to me via Telegram:** Ongoing support and guidance throughout the program to ensure you feel held and supported. You will receive extra tips, resources, and reminders to help you stay aligned and on track with your goals. You will be able to share your wins, breakthroughs, and challenges in a private and nurturing environment. I'll be available for energetic adjustments, affirmations, or any support you need between sessions.

What we will be doing during the Program

1. Healing Past-Life Traumas of Persecution

We will journey into your past lives to heal traumatic experiences where you were persecuted, ostracized, or even killed for using your spiritual gifts. These soul memories often create deep subconscious fears like, *"It's not safe for me to express my gifts or earn money from them."*

Through this healing, you'll release the fear and reclaim the truth: *"It is safe to use your gifts and create abundance."*

2. Releasing Ancestral Fears and Protective Patterns

I will guide you into the father and mother ancestral lineages to heal the inherited energies of fear around using your gifts. Many of your ancestors were punished for expressing their talents, and their unresolved pain has been passed down to you as protective patterns. We'll release these energies and honor your lineage, freeing you to express yourself without fear and allowing abundance to flow for you and future generations.

3. Breaking Past-Life Promises to Stay Small

In past lives, you may have been traumatized and made vows to never use your gifts again, often to protect yourself or your family. These unhealed promises—like *"I'll never speak my truth"* or *"I'll never step into my power again"*—can create blocks in your ability to fully activate your gifts today.

We will identify and dissolve these vows so you can step into your full expression with confidence.

4. Reclaiming Power Without Fear

For many, the idea of power feels tainted: *"Power corrupts,"* or *"If I step into my power, I'll be persecuted."* Sometimes, we even carry guilt from mistakes we made in the past.

We will heal the rejection of your own power, release the fear of using it, and clear unforgiveness around any past actions so you can embody your divine power unapologetically.

5. Healing the Burden of Debilitating Empathy

Empathy is one of your greatest gifts, but when it feels like a curse, it can lead to

overwhelm, burnout, and rejection of your spiritual gifts. You may be afraid of absorbing too much or being judged for your sensitivity.

We'll release these burdens, strengthen your energetic boundaries, and help you see your empathy as the divine gift it truly is.

6. Clearing the “Who Am I?” Block

You may think, *“Who am I to do this work? What if I hurt someone? I’m not fully healed myself.”* These doubts keep you from embracing your soul gifts and witnessing the miracles you’re capable of creating for others.

We will heal these fears and activate the belief that: *“I am worthy of receiving abundance for working with my soul gifts.”*

We will also be doing the following:

- **Activate the KA (Light Body)**

The KA can be thought of as our Soul’s luminous form—what we might today call a Light Body. Though everyone possesses a Ka, it often remains inactive until consciously awakened. Spanning the 3D through 6D levels of existence, the KA serves as a bridge, anchoring your Soul and Higher Self into your current reality. When you activate your KA, you may experience a profound sense of Soul remembrance and gain clarity about your life’s purpose. This can bring deeper alignment with your true path, attract relationships more in tune with your soul, accelerate your manifesting abilities, and unlock hidden soul and psychic talents. You may also find your energy expanding, your creativity flourishing, your sexual energy awakened, and your heart chakra opened. Ultimately, raising your vibration in this way can help you make powerful, quantum-level shifts in your life.

- **Reconnect with Your Stellar Family**

During our weekly sessions, you’ll tap into profound connections with the loving energies of Venusians, Sirians, Arcturians, Pleadians, Andromedans, Lyrans, and more. By embracing these galactic frequencies, you’ll awaken ancient memories and

deepen your connection to your cosmic lineage.

- **Activate and Amplify Your Psychic and Intuitive Gifts**

Such as clairvoyance, clairsentience, clairaudience, and other multidimensional abilities to access divine guidance and insight.

- **Heal and Balance the Feminine and Masculine Energies within you**

Within this program, we'll also focus on healing and balancing the feminine and masculine energies within you—energies that often mirror the relationship patterns you've learned from the mother and father figures in your life. When these inner currents are in harmony, you'll experience a profound sense of wholeness and stability. By healing past wounds and releasing old stories tied to parental influences, you can free yourself from patterns of fear, conflict, or unworthiness. As these energies come into alignment, you'll find it easier to both receive and create, allowing for greater flow, confidence, and clarity. You'll feel more at ease establishing healthy boundaries, nurturing your intuitive side, and taking inspired action when it's needed. This integration ultimately fuels deeper self-trust, enhances the way you relate to others, and supports you in building a life—and business—grounded in authenticity, balance, and genuine abundance.

- **Enhance Mental Clarity and Emotional Balance**

Experience a clearer mind, increased focus, and the emotional stability to confidently navigate life's challenges.

- **Radiate Your Divine Light**

Express the Light and Love of your Divine Spark, embodying your true essence and sharing it with the world.
